

HOW TO LOGIN ON THE SAPC WEBSITE

Go to www.sapc.za.org

To login on the secure side you will need to request a password to be sent to you, via sms or e-mail. **Please note if your e-mail address or cell phone number is not updated with Council you will not be able to use this automated function.** Kindly send an e-mail with your P-number in the subject line to customercare@sapc.za.org or contact the SAPC Customer Care line: 0861 7272 00 to update these details.

Click on **Registered person** login

Login using your P number, ID number or Passport number (using only numerical characters and no spaces) and Web Password and press **ENTER**

You can change your password once you've logged in. Your full colour ID photo, can be uploaded under the Biographical and Communications tab.

CONGRATULATIONS! If you see this screen, you are logged in on the secure side of the website

You can either follow these screen shots or log in online to interactively follow the steps involved in capturing a CPD event.
