

NATIONAL ESSENTIAL MEDICINES COMMITTEE (NEMLC)

DECLARATION OF INTERESTS

Selection of medicines for the essential medicines list and development of standard treatment guidelines require measures to ensure that the best possible assessment of scientific evidence is achieved in an independent atmosphere free of either direct or indirect pressures. Thus, to assure the technical integrity and impartiality of the committees' work, it is necessary to avoid situations in which financial or other interests might affect the outcome of that work. Each expert is therefore requested to review the NEMLC's guidance document on declaration of interest prior to undertaking this declaration.
