Dear Professor Tavartkiladze,

In accordance with exchanges between your entity and the World Health Organization (WHO) last year, the WHO Executive Board reviewed the report of our relations and collaboration at its 142th session in January 2018.

I am pleased to inform you that the WHO Executive Board decided to maintain the International Society of Audiology, in official relations with WHO. In making the decision, the Executive Board commended your continuing dedication in supporting the work of WHO. Please find attached a copy of the decision (Document EB142 (9)).

I would like to take this opportunity to convey my thanks to the International Society of Audiology for its work with WHO. Please contact Dr Cieza, who serves as the designated technical officer (DTO) for our relations, to pursue implementation of the agreed plan for collaboration. Kindly note that the review of the implementation of that plan will take place by the Executive Board in January 2021, according to the triennial schedule for reviews.

Should you have any queries about our formal relations, please do not hesitate to contact the Department of Partnerships and Non-State Actors at [nonstateactors@who.int](mailto:nonstateactors@who.int).
