The Western Cape Department of Health hereby invites Service Providers within the Facilities Management Sector to bid for the provision of Integrated Facilities Management Services (IFMS) for the Western Cape Rehabilitation Centre and Lentegeur Psychiatric Hospital under the control of the Department of Health: Western Cape Government, for a period of eight years.

The IFMS contract, the first of its kind for the Western Cape, is to be implemented as one for the whole project site which would include both institutions, namely: Lentegeur Psychiatric Hospital and the Western Cape Rehabilitation Centre.

The purpose of the IFMS contract will be to ensure continuity of high quality service delivery by enabling staff to focus only on their core responsibilities and expertise while the contract manages the non-core functions of the two facilities.

All interested Service Providers are to check the Western Cape Government Bulletin and the eTender Website (www.etenders.gov.za) in the upcoming month for the official advertising of the Tender.

Further Enquiries can be directed to:
